## From the Principal

### OSHC MEET AND GREET

Thank you to everyone who attended our Meet and Greet on Wednesday, 7th of August. The event

was well attended and Stacey Wood, our new Director, had worked hard to provide an insight into how the service will look.

Students and their families engaged in a number of activities that were on offer including Sensory playdough table with creatures (the playdough smelt like chocolate and was good enough to eat), kinetic sand table, Wii games (which were popular), construction play, home corner play and drawing and making

table to name a few.

Everyone enjoyed the delicious logo cupcakes as well as the drinks on offer.

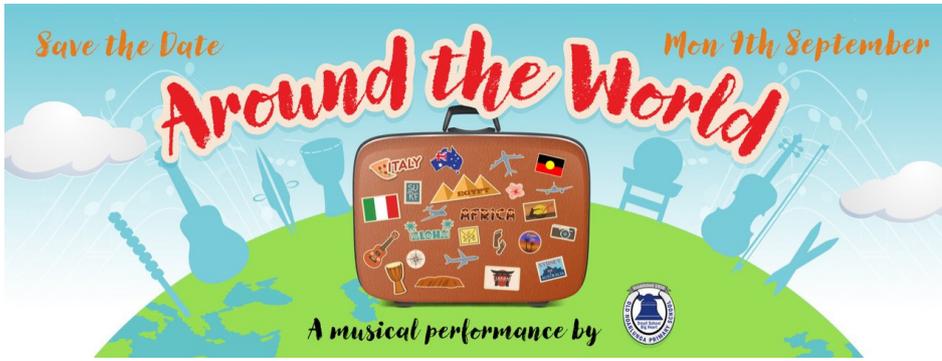

It was a great opportunity to meet Stacey and hear a little bit about the service.

Rates are subsidised and you can go to the link below in the blue box to calculate your rebates.

Thank you to Stacey for her hard work in getting the service up and running and thanks once again to Sandra for progressing the commencement of the service to this point. It is a huge logistical exercise to get the service started and we are hopeful the service will be well utilised.

## Musical

We are counting the days until the Musical. Preparations are well under way and I have been fortunate to share in some of the practice sessions in classes. I am in awe (and a little bit jealous) of the calibre of the singing of our students. I cannot sing like that!!

Thank you to everyone who has been able to pay for their child's t-shirt. This will provide all students R-7 with a keepsake from the performance. Please keep payments coming in.

There will be 2 performances – one at 1pm and one at 6pm. Tickets will be available from August 29th. More details soon.

## Camp Fees

We'd like to remind our families, whose children are going on camp in Term 3, that both School Fees and Camp Fees need to be paid in full to ensure your child's participation in camp.

Thank you to those families

There is a limit of 4 tickets per family for each performance. Students of ONPS do not need to have a ticket. We are not charging for tickets but instead we are seeking donations at the door on the day of the performance and this will help us to cover costs.

Drinks and snacks will be on sale at the event thanks to our Fundraising Committee.

There has been a lot of preparation and thought put into the event so far and we look forward to sharing it with you on the 9th of September.

who have been making regular contributions towards these expenses.

Please contact Sandra, our Finance Officer, if you have any issues with finalising these payments.

## KEY DATES

Wednesday 21st August  
**BOOK WEEK PARADE**

Thursday 22nd August  
**FATHER'S DAY STALL**

Monday 26th August

THE **KEY** TO  
**SUCCESS**  
IS TO **FOCUS** ON  
**GOALS, NOT**  
**OBSTACLES**

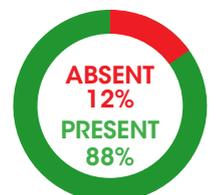

## How is our attendance rate going?

### YEAR TO DATE

The average daily attendance rate, Year-to-Date, derived from student attendance data sourced from the school systems as at 12/08/2019 is 93%.

### PREVIOUS WEEK

The attendance rate from last week, derived from student attendance data, sourced from the school systems as at 12/08/2019 is 88%.

# Entertainment Memberships

Old Noarlunga Primary School is raising funds. Here's how you can help...

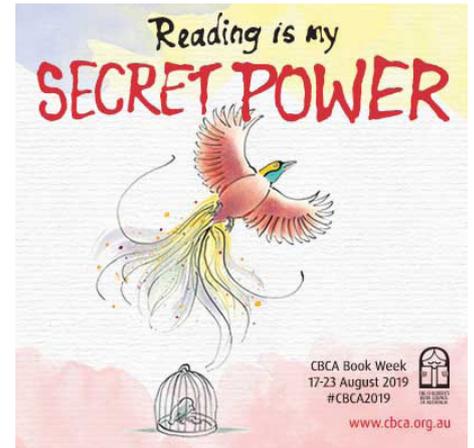

Help us raise funds for our School by buying an Entertainment Membership from us. You'll receive hundreds of valuable offers for everything you love to do, and help our fundraising at the same time!

<https://www.entertainmentbook.com.au/orderbooks/1167239>

## Book Week

Book Week is being held next week! This year the CBCA Book Week theme is 'Reading is my secret power'. To celebrate we will be running a few different events which include specially selected books that Gosia has purchased to match the theme of Book Week, a visit by Seaford Library staff for Story Telling, the Dream Big

Performance and the always popular Book Week Parade to be held on Wednesday, 21st August at 9am. For the Parade students are encouraged to come to school on this day dressed as their favourite book character. We look forward to celebrating Book Week and the importance of reading with you all!

## Room 2 Science!

We have been working with Mr K. our student teacher, to find out what happens when we mix together different ingredients.

We have been making predictions about what we think will happen when the ingredients are combined, then making careful observations during and after the experiment.

One of our favourite experiments was when we learnt about what happened when we combined baking soda and vinegar! The results were explosive!
